"PROTECTING YOUR PEOPLE"

About Us

Kwena Protect supplies high quality protective clothing, arc wear, fall protection, footwear, industrial, safety clothing and accessories, as well as PPE, to a variety of industries within South Africa.

These include but are not limited to construction, mining, cleaning agriculture, industrial, oil and gas, security, welding, chemical, healthcare, corporate, hospitality and labour hire sectors.

With over 12 years' experience in branded corporate apparel through our sister company, CK Outdoor Advertising, we are committed to protecting our people, putting their safety first.

What We Do

QUALITY PROTECTIVE APPAREL

Personal Protective Equipment (PPE)

In addition to our comprehensive range of branded apparel, **Kwena Protect** carries a full range of PPE (Personal Protective Equipment) including fall protection, arc wear and aluminized work wear.

We source and supply a large selection of Personal Protective Equipment from leading brands including: Safety Glasses, Ear Plugs, Ear Muffs, Hard Hats, Safety Helmets, Protective Gloves, and much more.

Branding

Kwena Protect offers branding services as an extension of their product offering.

Our team of experienced consultants can source and supply quality PPE with fast turn around times to ensure a safety first environment for our clients and their employees.

We Protect
OUR PEOPLE FROM HEAD TO TOE

Our Services

Kwena Protect prides itself on supporting “Proudly South African” products and suppliers. We source products that are manufactured locally, or utilise local materials, assisting our clients to achieve their desired local production and local content targets, without compromising quality.

Our services include:

- Source and supply of PPE gear and accessories
- Extended corporate branding services
- Safety and construction signage
- Supply of specialty and corporate apparel
