About Us

Kwena Group Holdings aims to build a portfolio of sustainable investments driven by established goals to build shareholder value.

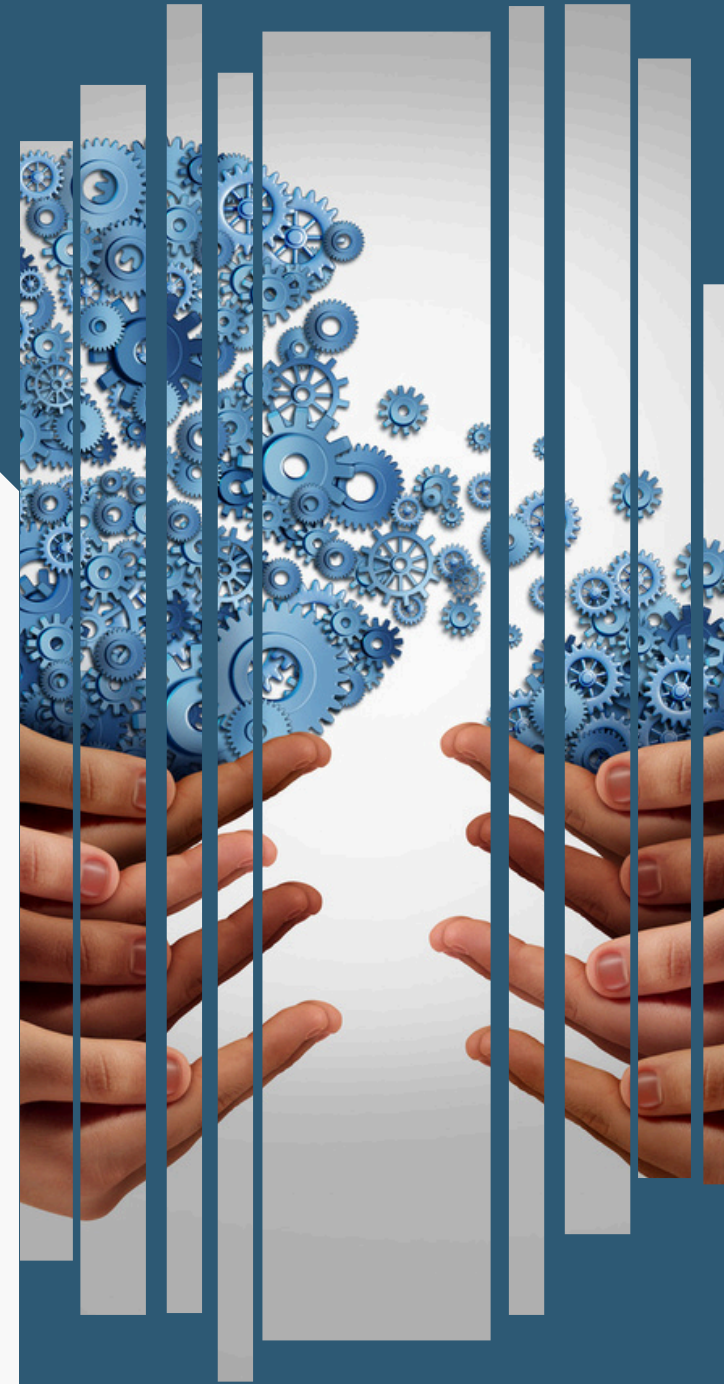

We are mindful of social; economic; and environmental responsibilities; while being committed to integrity; honesty; and fairness in all dealings with our stakeholders.

Within Kwena Group Holdings, we have five divisions including Kwena People, a BBBEE Level 2 contributor (see page 4 for full portfolio).

What we do

We provide companies with turnkey solutions across a wide range of disciplines. Established in 2007, we have grown our portfolio to encompass other problem-solving elements that we aligned to the multi-faceted requirements of our clients.

At Kwena, we believe in connecting with our clients so that we can truly understand their requirements. This allows us to not only craft bespoke business solutions, but to predict and meet future expectations as well.

We are a full-service, South African owned infrastructure planning, building, fit out and project management company. Our Services include: Concept and early planning, Design Management, Civil Works, Construction and Project Management

Through its network of specialist manufacturers, we can provide a wide range of innovative, high-quality products and fabricated solutions to meet individual specifications and project requirements. Our team can provide a tailor-made solution with the best package of products from across the world.

Providing a complete range of project and workforce solutions designed to address every staffing need from recruitment through to contingency management and consultancy.

Each of our tailored business solutions reflects the experience, expertise and excellence that we have achieved in meeting our core competencies covering contract and direct hire recruitment.

Kwena Protect supplies high quality protective clothing, arc wear, fall protection, footwear, industrial, safety clothing and accessories, as well as PPE, to a variety of industries within South Africa. These include but are not limited to construction, mining, cleaning, agriculture, industrial, oil and gas, security, welding, chemical, healthcare, corporate, hospitality and labour hire sectors.

Kwena Project Execution (KPE) forms part of the Kwena Group of Companies, as an outcomes-focused project services organization providing project feasibility, management, engineering, project controls and completions services to the mining, mineral extraction and oil & gas sectors.

We specialise in, but are not limited to, providing recruitment solutions to the Technical, Engineering, FMCG, Manufacturing, IT, Finance and Oil and Gas industries.
