Company Profile

# About Kwena Fortis

We are a professional security services provider delivering reliable, tailored protection solutions to corporate, residential, and event-based clients. We combine skilled personnel, advanced technology, and strategic planning to ensure safety, control, and peace of mind at all times.

- Client-focused partnerships
- Clear client communication
- Continuous monitoring
- Reliable and accountable service

# Our Core Values

## Honesty

We uphold transparent communication and ethical conduct in all our operations, ensuring trust and accountability in every client relationship.

## Integrity

Our team is committed to doing the right thing, even when no one is watching, maintaining the highest standards of professionalism and security.

## Reliability

Dependable and consistent, our security services operate 24/7, providing peace of mind through unwavering vigilance and responsiveness.

# Our Services

## Physical Guarding

On-site security personnel to protect people, property, and assets.

## Rapid Response

Immediate reaction to alarms and emergency situations.

## Body Corporate Rule Enforcement

Ensuring compliance with estate and complex rules.

## Offsite Camera Monitoring

Remote CCTV monitoring to detect suspicious activity.

## Health and Safety

Managing safety protocols to reduce risks and ensure compliance.

## Event Security

Crowd control and safety management for events of all sizes.

## Alarm Monitoring

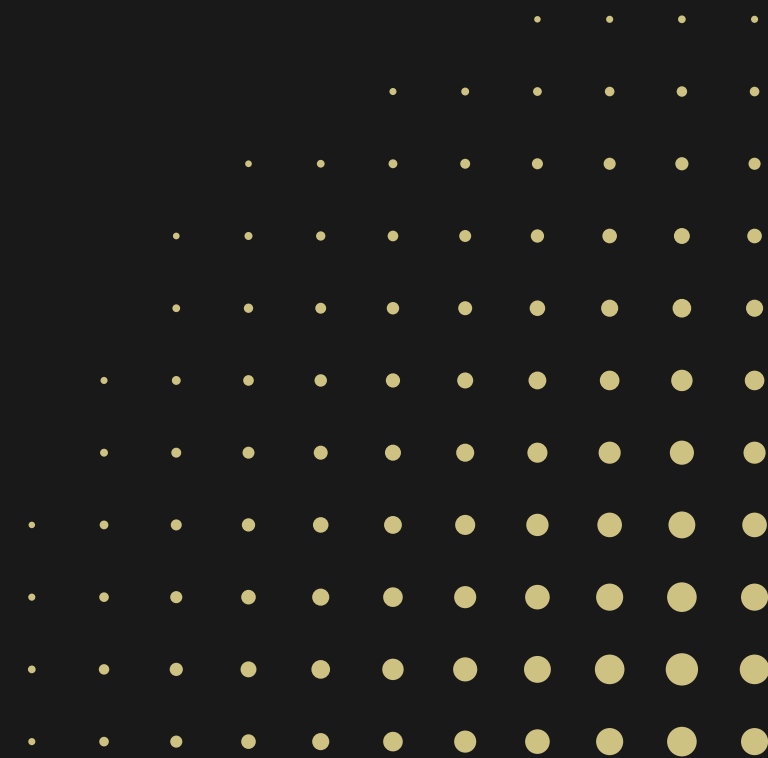

24/7 monitoring with fast response to potential threats.

## Technical Services

Installation and maintenance of security systems.

## PPE (Personal Protective Equipment)

Supply of protective gear for safety and compliance.
